INT. CHURCH - NIGHT

A teenage girl, red eyed sits in a pew. Her hands on her lap and her pupils fully dilated. Blood cakes her hands and her hair greasily lays on her head. A dead girls body is on the pew beside her.

KLARA:

Our father who are in heaven..

She speaks as her fingers comb through her hair. The other hand holds onto the dead girl's. The dead girl, her eyes are rolled back and her mouth slightly open.

CUT TO BLACK.

OVER BLACK A TITLE CARD FADES IN. . .

VAMPIRES

EXT. SCHOOL - DAY

KLARA, teenage girl, red eyes grips her backpack. She steps towards the school. She takes in deep breathes as she looks around.

Slowly Klara walks up and she looks at a girl.

ZOEY, teenage girl, bright-eyed and full of wonder. Zoey stares at Klara, her head tilts. Zoey's eyes become wide as Zoey notices Klara gaze, and Zoey prances over.

Klara looks down at the ground.

ZOEY:

Hi! You must be new here.

KLARA:

Yes.

Zoey smiles.

ZOEY:

You should come and meet my friends then.

Klara awkwardly smiles. She feels impending doom from this human.

ZOEY: (CONT'D)

Come on!

Zoey grips her hand and tugs her along.

Klara looks away, she gazes at other students.

ZOEY: (CONT'D)  
Where did you live before?

KLARA:  
Michigan.

ZOEY:  
Why the move?

Zoey's head is turned away. Klara smirks.

KLARA:  
My house burned down.

Klara's smirk drops, Zoey's head turns back to her. Zoey puts her hand near her heart, shocked.

ZOEY:  
Oh, thats terrible.

KLARA:  
It's okay.

Zoey lets go of her hand. She stops at her friends.

Zoey's friends are all in a circle. Klara gazes quickly at all of them. Klara looks at Zoey.

Zoey smiles at Klara. Zoey puts her hand on Klara's shoulder.

ZOEY:  
Hi everyone! This is Klara. Shes  
new to the school.

Zoey's friends stop speaking. Klara avoids eye contact as she fidgets with her sharp nails.

There are three girls. One gothic girl sticks out amongst the others wearing normal clothing.

KLARA:  
Hello everyone.

JOLENE, teenage girl, gothic, silver cross necklace. Jolene stares quietly then speaks.

JOLENE:  
Hello.

Jolene smiles awkwardly. Jolene now looks at Zoey awkwardly. The other two girls look at each other awkwardly as they look at Jolene, Zoey and themselves.

GIRL 2:  
Hello.

GIRL 3:  
Hello.

KLARA:  
Nice to meet you.

Jolene looks away. Jolene whispers to a group member.

The group opens for Klara and Zoey. Klara's nails are now digging into her palms.

Klara glances annoyed at Jolene.

KLARA: (CONT'D)  
I like your necklace.

JOLENE:  
It was something I got after  
watching a vampire movie.

Klara looks at her intently now. Klara's jaw twitches as her fingers slowly unwind.

KLARA:  
Vampires?

JOLENE:  
Yes.

Klara smiles slowly.

KLARA:  
Interesting.

JOLENE:  
I bought this one so I can ward off  
vampires.

KLARA:  
How do you know it can ward off  
vampires.

Klara looks away from Jolene. Klara's annoyance becomes worse.

Klara turns to Zoey as her lips are now pursed. Her lip begins to bleed. It's the fangs.

Zoey looks at Klara. She gasps.

ZOEY:  
Your lip is bleeding!

Klara quickly licks away the blood.

KLARA:  
Your imagining.

Klara glances at Jolene then back to Zoey.

KLARA: (CONT'D)  
We should go inside.

INT. HIGH SCHOOL CLASSROOM - DAY

Klara sits at her desk in the front with her hands clasped. Klara's desk has a NOTEBOOK, PENCIL and PLANNER. Klara is beside Zoey, Jolene and the other two girls. Klara's nails dig into her palms again.

A teacher walks into the classroom. Klara's pupils dilate as she keeps her hands closer together now.

TEACHER:  
Today class we will be learning  
about...

The teacher's talking becomes faint. Klara looks around at the other students. Klara's hands become unclasped. Klara now has her nails digging into the desk.

The teacher stands still in front of Klara's desk.

TEACHER: (CONT'D)  
Is something wrong?

KLARA:  
No..

The teacher looks away and walks over. She goes back to writing on the board. Klara sighs as she looks away. Klara opens her notebook and begins writing. It was going to be a long day.

We should walk home together.

Zoey nods enthusiastically. They all continue talking.  
Klara's pupils become dilated as she stares at Zoey.

EXT. NATURE - EVENING

Klara and Zoey walk beside each other. Klara grips her backpack as Zoey has a shoulder strap off.

Zoey talks as Klara notices something. While they walk Klara looks at a church.

KLARA:  
Do you like building exploration?

ZOEY:  
I get spooked easily.

Klara nods as she looks at the church.

KLARA:  
Don't be.

Zoey nods nervously as she looks at Klara. Klara smiles reassuringly.

Klara takes Zoey's hand gently as she walks towards the church.

INT. CHURCH - NIGHT

There are owls hooting, dust particles fly past and the moonlight seeps in. Klara walks through the church as she keeps Zoey with her. Klara rushes to the front.

Klara sits in the first pew in front of the church. Klara looks at Zoey sat beside her.

KLARA:  
Are you scared of vampires?

ZOEY:

No.

Zoey looks at Klara with eyebrows down.

KLARA:

You should be.

Klara lunges towards Zoey and her fangs go into her neck.
